

WHAT ARE COOKIES

Cookies are small text files that are stored in your browser and are used by most websites, including this website, to help personalise your web experience. Some features on this website will not function if you do not allow cookies.

WHAT COOKIES DO WE USE

Google analytics (`_ga`, `_gat`)

We use Google Analytics to analyse how visitors use our site in aggregate form. Google Analytics uses cookies to identify unique visitors and record how they use a website. It does not collect any personally identifiable information and does not track movements between different websites.

Cookie Consent Plugin (`catAccCookies`)

This is used to store information regarding the status of the cookie consent bar that is shown to the user on visiting the site for the first time.

Add Event (`addevent_track_cookie`)

This cookie identifies the user and allows them to add events to a user's calendar.

Gigameter (`gigameter`)

This is used to store information relating to the property requests.

Session ID (`PHPSESSID`)

A session cookie used for storing and retrieving values for a user. This cookie contains no personal information.

Silverpop (`com.silverpop.ima.page_visit`, `com.silverpop.ima.session`, `com.silverpop.imaWebCookie`)

These cookies are set by Silverpop. These cookies are used to collect information about how visitors use our Website.

Inspectlet (`__insp_norec_sess`, `__insp_nv`, `__insp_ref`, `__insp_slim`, `__insp_targetlpt`, `__insp_targlpu`, `__insp_wid`)

These cookies are set by Inspectlet. These cookies are used to collect information about how visitors use our Website.

DISABLING COOKIES

Guidance on how to tell your browser not to write cookies can be found at <https://www.wikihow.com/Disable-Cookies>
